Assignment of Benefits and Authorization to Release Medical Information. I hereby certify that the insurance information I have provided is accurate. complete and current and that I have no other insurance coverage. I authorize my provider to file an appeal on my behalf for any denial of payment and/or adverse benefit determination related to services and care provided. If my health insurance plan does not pay my provider directly, I agree to forward to my provider all health insurance payments which I receive for the services rendered by my provider and its health care providers. I authorize my provider or any holder of medical information about me or the patient named below to release to my health insurance plan such information needed to determine these benefits or the benefits payable for related services. I understand that if my provider does not participate in my insurance plan's network, or if I am a self-pay patient, this assignment of benefits may not apply.
