

Bright Futures Previsit Questionnaire Older Child/Younger Adolescent Visits

For us to provide you with the best possible health care, we would like to get to know you better and know how things are going for you. Our discussions with you are private. We hope you will feel free to talk openly with us about yourself and your health. Information is not shared with other people without your permission unless we are concerned that someone is in danger. Thank you for your time.

What would you like to talk about today?

Do you have any concerns, questions, or problems that you would like to discuss today?

What changes or challenges have there been at home since last year?

Do you live with anyone who uses tobacco or spend time in any place where people smoke? No Yes

We are interested in answering your questions. Please check off the boxes for the topics you would like to discuss the most today.

Your Growing and Changing Body	<input type="checkbox"/> Teeth <input type="checkbox"/> Appearance or body image <input type="checkbox"/> How you feel about yourself <input type="checkbox"/> Healthy eating <input type="checkbox"/> Good ways to be active <input type="checkbox"/> How your body is changing <input type="checkbox"/> Your weight
School and Friends	<input type="checkbox"/> Your relationship with your family <input type="checkbox"/> Your friends <input type="checkbox"/> How you are doing in school <input type="checkbox"/> Girlfriend or boyfriend <input type="checkbox"/> Organizing your time to get things done
How You Are Feeling	<input type="checkbox"/> Dealing with stress <input type="checkbox"/> Keeping under control <input type="checkbox"/> Sexuality <input type="checkbox"/> Feeling sad <input type="checkbox"/> Feeling anxious <input type="checkbox"/> Feeling irritable
Healthy Behavior Choices	<input type="checkbox"/> Smoking cigarettes <input type="checkbox"/> Drinking alcohol <input type="checkbox"/> Using drugs <input type="checkbox"/> Pregnancy <input type="checkbox"/> Sexually transmitted infections (STIs) <input type="checkbox"/> Decisions about sex and drugs
Violence and Injuries	<input type="checkbox"/> Car safety <input type="checkbox"/> Using a helmet or protective gear <input type="checkbox"/> Keeping yourself safe in a risky situation <input type="checkbox"/> Gun safety <input type="checkbox"/> Bullying or trouble with other kids <input type="checkbox"/> Not riding in a car with a drinking driver

For Females Only

Anemia	Do you have excessive menstrual bleeding or other blood loss?	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Unsure
	Does your period last more than 5 days?	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Unsure

Growing and Developing

Check off all of the items that you feel are true for you.

- I engage in behavior that supports a healthy lifestyle, such as eating healthy foods, being active, and keeping myself safe.
- I feel I have at least one responsible adult in my life who cares about me and who I can go to if I need help.
- I feel like I have at least one friend or a group of friends with whom I am comfortable.
- I help others on my own or by working with a group in school, a faith-based organization, or the community.
- I am able to bounce back from life's disappointments.
- I have a sense of hopefulness and self-confidence.
- I have become more independent and made more of my own decisions as I have become older.
- I feel that I am particularly good at doing a certain thing like math, soccer, theater, cooking, or hunting. Describe:

Bright Futures Patient Handout

Early Adolescent Visits

Your Growing and Changing Body

- Brush your teeth twice a day and floss once a day.
- Visit the dentist twice a year.
- Wear your mouth guard when playing sports.
- Eat 3 healthy meals a day.
- Eating breakfast is very important.
- Consider choosing water instead of soda.
- Limit high-fat foods and drinks such as candy, chips, and soft drinks.
- Try to eat healthy foods.
 - 5 fruits and vegetables a day
 - 3 cups of low-fat milk, yogurt, or cheese
- Eat with your family often.
- Aim for 1 hour of moderately vigorous physical activity every day.
- Try to limit watching TV, playing video games, or playing on the computer to 2 hours a day (outside of homework time).
- Be proud of yourself when you do something good.

PHYSICAL GROWTH AND DEVELOPMENT

EMOTIONAL WELL-BEING

How You Are Feeling

- Figure out healthy ways to deal with stress.
- Spend time with your family.
- Always talk through problems and never use violence.
- Look for ways to help out at home.
- It's important for you to have accurate information about sexuality, your physical development, and your sexual feelings. Please consider asking me if you have any questions.

School and Friends

- Try your best to be responsible for your schoolwork.
- If you need help organizing your time, ask your parents or teachers.
- Read often.
- Find activities you are really interested in, such as sports or theater.
- Find activities that help others.
- Spend time with your family and help at home.
- Stay connected with your parents.

SOCIAL AND ACADEMIC COMPETENCE

Violence and Injuries

- Always wear your seatbelt.
- Do not ride ATVs.
- Wear protective gear including helmets for playing sports, biking, skating, and skateboarding.
- Make sure you know how to get help if you are feeling unsafe.
- Never have a gun in the home. If necessary, store it unloaded and locked with the ammunition locked separately from the gun.
- Figure out nonviolent ways to handle anger or fear. Fighting and carrying weapons can be dangerous. You can talk to me about how to avoid these situations.
- Healthy dating relationships are built on respect, concern, and doing things both of you like to do.

VIOLENCE AND INJURY PREVENTION

Healthy Behavior Choices

- Find fun, safe things to do.
- Talk to your parents about alcohol and drug use.
- Support friends who choose not to use tobacco, alcohol, drugs, steroids, or diet pills.
- Talk about relationships, sex, and values with your parents.
- Talk about puberty and sexual pressures with someone you trust.
- Follow your family's rules.

RISK REDUCTION

Bright Futures Parent Handout

Early Adolescent Visits

Here are some suggestions from Bright Futures experts that may be of value to your family.

Your Growing and Changing Child

- Talk with your child about how her body is changing with puberty.
- Encourage your child to brush his teeth twice a day and floss once a day.
- Help your child get to the dentist twice a year.
- Serve healthy food and eat together as a family often.
- Encourage your child to get 1 hour of vigorous physical activity every day.
- Help your child limit screen time (TV, video games, or computer) to 2 hours a day, not including homework time.
- Praise your child when she does something well, not just when she looks good.

PHYSICAL GROWTH AND DEVELOPMENT

Healthy Behavior Choices

- Help your child find fun, safe things to do.
- Make sure your child knows how you feel about alcohol and drug use.
- Consider a plan to make sure your child or his friends cannot get alcohol or prescription drugs in your home.
- Talk about relationships, sex, and values.
- Encourage your child not to have sex.
- If you are uncomfortable talking about puberty or sexual pressures with your child, please ask me or others you trust for reliable information that can help you.
- Use clear and consistent rules and discipline with your child.
- Be a role model for healthy behavior choices.

RISK REDUCTION

Feeling Happy

- Encourage your child to think through problems herself with your support.
- Help your child figure out healthy ways to deal with stress.
- Spend time with your child.
- Know your child's friends and their parents, where your child is, and what he is doing at all times.
- Show your child how to use talk to share feelings and handle disputes.
- If you are concerned that your child is sad, depressed, nervous, irritable, hopeless, or angry, talk with me.

EMOTIONAL WELL-BEING

School and Friends

- Check in with your child's teacher about her grades on tests and attend back-to-school events and parent-teacher conferences if possible.
- Talk with your child as she takes over responsibility for schoolwork.
- Help your child with organizing time, if he needs it.
- Encourage reading.
- Help your child find activities she is really interested in, besides schoolwork.
- Help your child find and try activities that help others.
- Give your child the chance to make more of his own decisions as he grows older.

SOCIAL AND ACADEMIC COMPETENCE

Violence and Injuries

- Make sure everyone always wears a seat belt in the car.
- Do not allow your child to ride ATVs.
- Make sure your child knows how to get help if he is feeling unsafe.
- Remove guns from your home. If you must keep a gun in your home, make sure it is unloaded and locked with ammunition locked in a separate place.
- Help your child figure out nonviolent ways to handle anger or fear.
